Handwritten text, likely bleed-through from the reverse side of the page, including the word "L" and some illegible cursive script.

Ch. Samuel Sitwars

A horizontal strip of a manuscript page, likely from a historical document. The image shows a dense, dark, and heavily stained or inked area, possibly a decorative border or a heavily damaged section of text. The background is a light, aged paper color, and the dark area is composed of intricate, swirling patterns and blotches, suggesting a complex design or a significant amount of ink application.
