

Carta de Centa

[illegible]

Handwritten text in a cursive script, likely a historical document or letter. The text is written in a dark ink on aged, slightly torn paper. The script is dense and fills most of the page. The text appears to be in a historical language, possibly Dutch or German, given the context of the document. The handwriting is elegant but somewhat difficult to decipher due to the cursive style and the age of the document. The text is organized into several paragraphs, with some lines starting with capital letters. The overall appearance is that of a well-preserved but aged manuscript.
