 leam,

This image shows a page from a manuscript, likely a list or index. The page is heavily obscured by dark, irregular ink smudges and stains, particularly on the right side. The text is mostly illegible, but some faint, handwritten entries are visible on the left side. The page is numbered '10' in the top right corner. The text appears to be a list of names or entries, possibly related to a historical or geographical record. The smudges are most prominent in the center and right, making the text difficult to read. The left side of the page shows some faint, handwritten text, which might be the original entries before the smudging occurred. The overall appearance is that of an old, damaged document.
